

## MARKET REPORT

### BAKEWELL MARKET

Monday 7<sup>th</sup> October

Wet and relatively cold conditions brought Cattle into market in good numbers, but Sheep were down as a consequence of 6 day restrictions following purchase of Breeding Sheep and Rams. The result 739 Cattle but only 1,395 Sheep.

The Store & Breeding Cattle section was again well supported with a total of 404 head. Plenty of interest and several new buyers operating resulted in a strong trade. Steers peaked at £1,150, Heifers £1,260 and Feeding Bulls £800, Cows and Calves reached £1,030. In the Finished section there were 132 Cattle on offer peaking at 230p and £1,537. OTM and Feeding Cows were out in force and a very mixed sample topped at 162p and £1,171. The average back a bit possibly due to quality rather than demand at 103.4p. Only 58 Calves this week and not the best of samples. Top figures Bulls £260 and Heifers £185.

In the Sheep department Lamb numbers were well down, but trade was well up.

The 857 Finished Lambs reached top figures of 238p and £103.58 with the SQQ average a respectable 169.6p.

504 Cull Sheep forward trade sharper, Ewes to £130 to average £67.90.

**404 STORE & BREEDING CATTLE - (Auctioneer Alastair Sneddon)**

Similar in numbers to last week, but more buyers operating and trade very brisk indeed. This in the context of abattoir weight restrictions due in the forthcoming months tempering demand for heavyweight Cattle.

Farm Assurance also a factor with short finish or older Cattle. The advice to producers is in order to maximise demand for your Cattle either sell them younger or consider becoming

Farm Assured. Despite the above considerations trade was remarkably good and every animal changed hands.
