THINGS HAVE CHANGED

New Rules 2nd October Onwards

In view of the increased virus risk the following guidance has been introduced at Bakewell Market.

Facemasks are now **COMPULSORY EVERYWHERE** within the Market.

The only exception to this is whilst handling cattle, where the urgent need to warn others might be hampered by wearing a mask

In addition to all previous guidance we will be enforcing the following points:

1. Children under 16 years cannot attend the Market. We are very concerned about the increased risk now that they are back at school. We hope you understand.
2. A maximum of 2 representatives from a business or family is permitted around the ring to buy (we would prefer only one, but understand why this is sometimes a problem).
3. Vendors of cattle may enter the vendor viewing area to see their cattle sold, but not for any longer period.
4. Vendors of sheep on sheep sale days may come in to the actual sale ring with their sheep as they are sold, or if they prefer watch from the vendor viewing area.
5. Vendors and purchasers on regular sheep selling days (Mondays & Thursdays) must wear face coverings and maintain social distancing at all times.
6. Luck money instructions must be given in writing on the entry documents. Vendors not to enter the market office. No cash payments around the auctions will be permitted.

We appreciate that these measures will not be popular, however, they are being imposed to minimise risk to all concerned.

Please abide by them and help us all get through this very difficult time.

Thank you

Alastair Sneddon
