Bakewell Market Autumn Sheep Sales Mid-Summer Update...

For the avoidance of any doubt, we are hoping that our schedule of Autumn Sheep Sales will take place as planned.

We will be making every effort to ensure that vendors can be present (probably in the ring) whilst their sheep are sold.

There may need to be slight changes to the later sales of breeding sheep and rams to ensure compliance with whatever social distancing measures are in place at that time.

It does look, however, that we will have to postpone our Social Night and perhaps round off the season with a get together as opposed to starting it with one.

We will be announcing any changes as and when necessary but for the time being, it will be business as near to usual as we can make it at Bakewell.
