NAMED SIRES

For the avoidance of doubt, we will only announce NAMED SIRES if the sire's tag number is printed on the passport, accompanied by the full name of the registered bull.

We will announce SIRE TAG if there is a sire's tag number printed on the passport, but no name of a registered bull. You will appreciate that we do not have time to verify this information.

The details supplied to us on the signed entry form MUST be accurate, DNA tests are regularly carried out and the vendor will be liable for any discrepancies.

ALTERATIONS TO PASSPORTS

Please make best efforts to avoid sending cattle where there is the need to alter the passport because of incorrect sex or breed.

These matters should be corrected before sending stock to market.
