

SUPERB TRADE AT EARLY SEASON BAGSHAW DISPERSAL FRIDAY 23rd APRIL 2021

The dispersal sale on behalf of the Green family at Burns Farm saw a superb range of New Holland combines and tractors on offer, with a wide range of potato equipment and trailers for sale.

There was excellent support from a wide area of the UK and a well behaved socially distanced crowd saw principal prices as follows.

In the smaller lots the calving aid £104, heavy duty galvanised ring feeders to £300, IAE mounted calf creeps to £495 and a Ritchie Galvanised Calf Dehorning Crate at £230.

The 6-cylinder Ford powered irrigation pump achieved £4,500 with a set of 12ft chain harrows at £230 and a Danuser PTO Post Hole Borer at £450.

All the major items were extremely well maintained with a virtually unused snow plough at £650 and a superb New Holland 945 Conventional Baler at £6,420.

The mounted Simba Express achieved £4,600 with the trailed Väderstad 420 carrier at £10,600 and a Kverneland 5 furrow LD85 series plough at £6,020.

Within the potato equipment the Scanstone 4 Webber Destoner at £23,400 and the trailed Hardy 3200 sprayer at £12,000.

Undoubtedly, the stars of the show were the New Holland Tractors & Combine, with the New Holland 7-200 4WD 40KPH with just over 3,000 hours on the clock on a 16 plate at £50,000 and the New Holland 6-180 19 plate with just over 900 hours on the clock again at £50,000.

The sale culminated with the sale of the New Holland CX7080 Combine, being owned from new and with under 650 work hours on the clock and a vari feed header this achieved a superb £111,000.

**Booking sales throughout the region, with an excellent fixture list available.
