

## MACHINERY & DISPERSAL SALES

### ***“Exceptional support for extremely well-maintained kit at Whiston Dispersal”***

The machinery dispersal sale held on behalf of Richard and David Green at Shirley Farm, Whiston, Stoke attracted wide support as the machinery, Land Rover, Sundries and Effects were in superb order and had been extremely well cared for.

The stars of the show were undoubtedly the two John Deere tractors, Gator and Land Rover but there was a large array of items for sale prior to those items.

In the smaller items

- Stainless Milk Buckets £30 each
- Alkaline Foam Applicator £200
- Silage Sheet Cover £70 each
- Set of Parlour Pit Matting £175
- Six Stud Spare Trailer Wheel £120
- 8ft Cattle Manger Troughs £60 each
- IAE Galvanised Calf Crush has seen little work and sold at £490
- 10ft Galvanised Wall Mounted Hay Racks at £200 each

In the collectables;

- Stone Gate Post achieved £260 each
- Set of 5 Stone Steps at £400
- Old Stone Pig Sty Slide Feeder Bases at £60 each

All the machinery together with the tractors and Land Rover etc were in pristine order and the family should be commended for the way in which they presented things for sale as they were superbly well finished.

- Howard rotavator sold at £450
- Allman Small Mounted Sprayer £260
- Krone Easy Cut R280V Mower Conditioner £7,950
- Krone 4 Rota Mounted Tedder £5,000
