

MARKET REPORT

BAKEWELL MARKET **Monday 25th October**

Another strong entry with a total of 647 Cattle and 2031 Sheep forward with a pleasing trade in all sections.

A total of 392 Store and Breeding Cattle on offer attracted keen interest with both stronger and long term sorts in keen demand, Steers to £1535 and heifers to £1380 both from IC Ford, Lyme Handley.

OTM cattle possibly a little easier than of late with reports of processing problems at abattoirs a significant factor but still a respectable trade to a top of £1828 for a 5 year old Limousin Cow.

More finished cattle forward with the best cattle an excellent trade with best heifers to 314p/kg but trade for the lesser sorts perhaps a little more selective but still strong with the steers averaging 208.8p/kg and heifers 220.1p/kg.

A few less calves but trade remains firm with Bulls to £305.

Another busy morning in the Sheep Shed with a trade of 1544 Lambs on offer and trade remaining strong to return an average of 237.31p/kg. Cull Ewes Best continentals to £165 Per head.

**104 Barren, OTM and Feeding Cows Overall Average 117.9p
(Auctioneer Oliver Hiles)**

A few less on offer and a less trade throughout with processing problems at Abattoirs being the biggest concern and indeed one buyer absent today. Best today was one of the last onto the ring being a pure Limousin Cow, 5 yrs, at 180p to gross a superb £1828. Better cows still over 150p. Plenty of feeding cows and customers today and many of these look best sold on the day.
