STORE LAMB SALE REPORT FRIDAY 22nd October 2021

With a catalogued entry of over 4,700 sheep together with a number of late entries, trade was strong in all departments from start to finish.

The store lamb trade would be up a gear on the last sale with the entirety of the entry averaging over £80 per head, with a top price of £111 per head. All types and sizes in keen demand with the smaller long term lambs looking particularly well sold. The breeding ewes and stock rams again a strong trade for all with the results below speaking for themselves.
