Cheques/Payments-Payment Is Required On Sale Day

Intending Purchasers not known to the Auctioneers must produce, prior to bidding, an acceptable Banker's reference. Under new regulations introduced by the Banks, such references are now only obtainable by the Bank's customers themselves and have to be obtained by them direct from their Bank and forwarded to us. **Unless an acceptable Banker's Reference is produced Payment is Strictly Cash.** Persons unknown to the Auctioneers and who pay by cheque will have their goods impounded until cheques have cleared. The Auctioneers reserve the right to refuse a bid off any potential unknown customer.

All bidders should note that in many cases video security will be on site.

Viewing and Inspection – strictly on the morning of the sale from 8.30am onwards.

Conditions of Sale – Bagshaws usual farm sale conditions of sale shall apply at this sale, copies of which are available from the Town offices or the on site sale office.

GENERAL NOTES

Cash – Under the money laundering regulations the auctioneers are unable to accept cash in sums greater than €10,000 (or its Sterling equivalent). Please contact the auctioneers to discuss methods of cash payment prior to the sale.

Commission Bids – The Auctioneers will be pleased to execute written commission bids on behalf of persons unable to attend the sale. For further details please contact Mark Elliott on 07973 673092.

Export Purchasers – All goods must be paid for in pounds sterling (£).

VAT on Export Goods – Under regulations imposed by HM Customs & Excise, the auctioneers must account in a proper manner for VAT on export goods. All customers must pay all VAT on the purchase price of goods on sale day. On receipt of all relevant export documentation and bills of lading (which must be received in the prescribed time limits), the auctioneers will then refund relevant VAT sums.

Buyers Premium – No buyers premium will be payable at this sale.

Telehandler Loading Facilities – Telehandler loading facilities will be available on site up until approximately 5.00pm on sale day.

Machine Hours – Machine hours have been taken as at 30th January 2022. These are given for information purposes only and are not guaranteed by the Auctioneers.

Loading

It is the responsibility of the purchaser to arrange for the safe loading & transport of all and any purchases.

Bagshaws are under no obligation to provide assistance in loading but on occasion they will do their best to help provided that it is not putting themselves, the purchaser or other people at risk of injury.

For large, heavy and unwieldy items, specialist loading and transportation will be required for example bulk bins and tanks.

The decision made by Bagshaws will be final.

FOREWORD

This genuine sale on behalf of the Smith family arises as they are relinquishing the tenancy on the farm after having farmed there for 21 years.

This has been a highly productive efficient dairy unit and all the dairy cattle have now been sold which brings forward a large range of Telehandlers, Tractors and Machinery together with Livestock Equipment for dispersal.

The **Case Puma 150 tractor** has been dealer serviced and owned from new and has undertaken under 1400 hours and comes complete with 50KPH gearbox and front linkage.

The **Honda TRX 500 Quad Bike** is a 2015 model with under 570 work hours and is again in excellent condition.

The **Land Rover 90** and **Ford Ranger Raptor** have done low mileages for their age and have been well maintained.

Perusal of the catalogue will reveal a very wide range of calf equipment, foot crush and general livestock items which also includes a **Holm-Laue Stainless Steel Milk Taxi**.

In addition to the items from the farm there are various lots from local vendors and purchasers should attend and bid with confidence at this excellent March sale.

Health & Safety at Work Act 1974

It is expressly brought to the bidders attention that at the time of sale, items of plant, machinery and equipment may not necessarily comply with the requirements of the Health & Safety at Work Act 1974, and its' associated regulations, governing the use of plant, machinery, and equipment at work.

Whilst Bagshaws take all reasonable steps to ensure the integrity of sale items, or make bidders aware of any known defects, anyone purchasing an item must ensure it is safe, and complies with all relevant regulatory requirements, before it is used in a work environment.
