BAKEWELL MARKET

Monday 16th May 2022

Busy again at Bakewell with 805 cattle and 947 sheep entered. Plenty of confidence evident no doubt helped by the overnight rain.

In the Store & Breeding section there was another big show with a total of 515 on offer. Buyers were out in force with several fresh faces round the ring clearly seeking cattle to graze.

As a consequence, trade was exceptional with steers to £1440 and heifers to £1400.

Feeding Bulls reached £1220 and in the breeding section cows with calves reached £1,850 and two stock bulls were well bid for at £4,550 for a Limousin and £3,300 for an Angus.

Finished cattle numbers remain strong at 134 with trade to match. Top figures 320p and £2,136 with the average for the 52 heifers on sale at a creditable 243.2p

Another decent entry of OTM cattle saw a superb trade with the best to 225p and £1,962. The average was a solid 180.7p.

More calves about with 49 in total clearly selling well with bulls to £360 and heifers £380.

In the sheep section Spring lambs numbers are on the increase with 265 forward and finding a ready sale. Top figures 391p and £178.30 per head with the SQQ average 346.7p.

107 Barren, OTM and Feeding Cows Overall Average 180.3p or £1240.15

(Auctioneer Oliver Hiles)

An excellent trade once again, very much what we have come to expect with the average a penny up on the week or £19/head better on last week. 61 vendors showed cows this week to a total of 14 different accounts at ringside with the cows meat harder to sell on the continent but not so in the market today. 19 best today topped £2/kilo with a smart heifer 32 mnths at 225p closely followed by a super Limousin cow at 224p for PW Lomas and a pure-bred Lim at 218p for Ashford Hall to gross £1962. Unbelievably, feeding buyers still operating at these high levels and looking to buy the lean cows to improve their value.
