

MARKET REPORT

BAKEWELL MARKET **Monday 13th June 2022**

Despite the good silaging conditions Bakewell managed to attract a strong entry of stock in all departments with a total of 665 cattle and 1,281 sheep on offer and a strong trade for all.

A total of 421 store cattle comprised 349 stores and 72 head of breeding cattle with buyers out in force with top priced cow and calf outfits at £1,940, with steers to £1,590 and heifers to £1,435.

Finished cattle numbers similar to last week with trade just as strong with heifers to 306p/kg and steers to 270p/kg.

A reduced entry of 74 OTM's, possibly a result of the good silaging conditions but those forward rewarded with an excellent trade with a top call of 264p/kg and an overall average of 189p/kg.

Lamb numbers continue to increase with 679 on offer with trade a little back on last week in line with the National trend returning an average of 312.35p/kg with a top price of 352p, whilst cull sheep continue to sell at excellent rates to a top of £165.

An increased entry of calves did not detract from the trade with bulls to £445 and heifers to £425.
