FOREWORD

This most genuine sale of the **ALSOPDALE** Herd on behalf of Andrew and Joanna Bunting results from their decision to scale back their dairy farming enterprise at Melbourne Farm.

The sale comprises 78 Cows and Heifers In-milk and In-calf, 48 In-calf Heifers and 94 Youngstock.

Andrew Bunting is the third generation of the Bunting family to have milked the Alsopdale Herd with the herd having been established over 90 years ago and being closed for 35 years.

Attendees within the Leek Dairy Section will know Andrew as a regular vendor who has established a superb reputation for showing quality milkers which is reflected in the excellent following he has.

Superb type is being maintained with 57 of the 78 milkers scoring GP, VG or EX specifically comprising 6 Excellent, 22 Very Good and 29 Good Plus with the freshest heifers having not yet being classified.

Youth is prevalent with over 70 of the Milkens being in their 1st – 3rd lactations including 59 heifers and second calvers.

Purchasers should note that all Holstein semen used in the last 12 months has been sexed, a number of which are polled which are all detailed in the catalogue.

Herd health has always been a top priority being free of Leptospirosis, IBR monitored and vaccinated for BVD and Rotovirus with all calves being BVD Tag and Tested. The herd is also Johnes monitored with all cows in green.

The herd is cubicle housed and milked via a herringbone with management based on grass silage fed on a semi - TMR basis with concentrates fed in the parlour. The herd is yielding well with the daily average running at 27kg. The rolling CIS average shows an excellent:-

8416kg 4.32%F 3.31%P cc98

With the latest Bulk Sample running at 4.30%F 3.26%P cc114

This is a truly fantastic herd of cows with everything to offer, good breeding, superb type, high milk production and sound herd health. Attendance is an absolute must for both pedigree and commercial producers. Put the date Thursday 9th August in the diary!
