FOREWORD

The genuine sale at Baldfields Farm arises as a result of the retirement of Mr Barry and Mrs Angela Sargent and locals will know that the family have been tenants at the farm since 1932.

The tenancy has now come to an end and the landlord is selling the farm unit and all the beef/store cattle together with the sheep have recently been sold off the farm.

Over recent decades the farm has run a small arable enterprise together with the beef/store cattle and sheep.

The **Honda Quad Bike** together with both **Case Tractors** have been owned from new together with the **Vogel and Noot Plough, Bogballe Fertilizer Spreader** and several other items including the squeeze crush.

Perusal of the catalogue document will also reveal a walk in fridge unit together with a wide array of rural bygoners, furniture, sundries and effects.

In addition to the family items there is a special entry of vintage and classic tractors from a non-vat registered vendor.

A visit to Baldfields Farm on Saturday 17th September will find something for everyone.
