

MARKET REPORT
BAKEWELL MARKET
Monday 8th August 2022

Another respectable entry of stock in all departments with a total of 1504 sheep and 566 cattle on offer, with trade brisk in all departments.

Finished cattle a very similar trade to last week with a top price of 300p/kg and £1854 per head and reports of OTM's even dearer than recent weeks peaking at 216p/kg and £1850 per head.

An increased entry of store cattle with 323 on offer saw the stronger end in keen demand but the younger grazing cattle a little harder to place as a result of the current lack of grass. Top prices of £1490 for Steers and £1420 for heifers.

Sheep trade a bit sharper than last week, especially for the stronger end with the 935 lambs averaging 244p/kg, whilst a bumper entry off 566 culls continued to sell at rates to a top of £180.

An increased entry of calves sold at similar strong rates with B Blue bulls to a top of £420.
