Bakewell Market

MONDAY 26TH SEPTEMBER 2022

A full house with large entries of stock for the week following the Queen's funeral. Entries of 933 cattle and 2,285 sheep were matched by a full line up of buyers and all sections reported a decent trade.

The Store & Breeding cattle section mustered 545 head and the entries were capped early Friday morning with further bookings made for Monday 3rd October.

The large entry attracted buyers from far and near and the strong cattle in particular were very dear. Steers sold to £1,590, heifers £1,550 and feeding bulls £1,260.

In the breeding section cows and calves reached £1,520. There are already several lots of breeding cattle entered for next Monday.

There was another excellent entry of 178 finished cattle with top figures 311p and £2,006 per head.

The 77 heifers averaged 241.1p and the 56 steers 240.2p.

A good turnout of 146 OTM and feeding cows with top figures 238p and £1,995 per head. The overall average remains pretty steady at 174.2p.

Another good entry of 64 calves saw quality in demand with bulls to £420 and heifers £240.

In the sheep department there were 1,447 lambs on offer with top figures to 269p/kilo and £148.35 per head.

The SQQ looked respectable at 232.5p, but time will tell as ever with a Monday market.

A very large entry of 825 cull sheep saw ewes to £183 to average £86.14.

News from the Peak Farmers Group

Our next event 'Pasture for Profit' will take place on Wednesday 28th September from 11am to 2.30pm at Sittinglow Farm, Doveholes, Buxton, SK17 8DN by kind permission of the Buckley family.

This will be a farm walk with speakers including Rob Massey of PastureTec Ltd and Sean Chubb of the Livestock Improvement Corporation.

Hear from our experts who will be sharing knowledge and advice on post drought grassland and crop management as well as the practicalities of establishing a rotational grazing system.

We will also be finding out more about pasture utilisation and cost control – how a grazing management plan can improve grass growth and soil health, cut input costs, improve production and live-weight gain from forage.

This event is free to attend and includes lunch.

To book a place or find out more please call 07483 373 435 or email info@peakfarmersgroup.co.uk.

Time to 'lock up your daughters'

I WOULD like to draw attention to what is becoming an increasing problem in livestock sales.

As the honest brokers in the middle of any deal, auctioneers receive all post-sale complaints as if they were personally responsible for the problem.

I am sure I speak for other auctioneers when I say by far the biggest issue is unwanted pregnancies.

While this predicament has lost its stigma in the human world, with the shotgun wedding a thing of the past, the same cannot be said in bovine circles.

Despite any humorous element to this letter, the consequences are deadly serious.

Store heifers sold as such in the market are deemed to be empty and if there is the slightest chance they are not, this must be declared. If in doubt, they should be checked by the vet and treated with cloprostenol.

Heifers in finishing pens can 'show a bit of bag' just because they are being fed well and an in-calver can be difficult to spot, especially if it is not expected.

The result is often, at best, a lost calf and a heifer that is now 'a slip'. At worst, it means a dead calf, a dead heifer, a vet's bill and a disposal charge.

There are other problems too, if finished heifers are presented for slaughter with an undetected, but well-grown calf inside.

Abattoir vets take a very dim view of this and reprimands can result.

Whether these heifers are caught by a stock bull – perhaps their father, or possibly a strong suckled bull calf, is not the issue. The fact is it should not be allowed to happen and it is quite

clear that heifers are capable of 'taking the bull' at a much earlier age than many would think possible.

So 'lock up your daughters' and prevent problems for yourself as the vendor (responsible under the Livestock Auctioneers' Association conditions of sale), the purchaser and the auctioneer.
