A few weeks ago, we told you all about the new TB rules.

Now we have another important item of news to pass on to you, concerning the new Veterinary Attestation Rule for farmers to be introduced on 13th December 2023.

Without going into the small print, the message is this: If you are Red Tractor Farm Assured, you do not need to complete the veterinary declaration.

However, if you are not Red Tractor Farm Assured you need to contact your vet to obtain a signed declaration that you have received a vet's visit to your farm within the last 12 months.

One way to achieve this is to enrol on the Government's Animal Health & Welfare Pathway Scheme which provides funding for a vet's visit to your farm. Alternatively, your vet may be prepared to sign a declaration when attending the farm to do TB tests.

If you have any questions, please contact the Farm Office Services Team who may be able to help.

#### **To sum up:**

If you are not Red Tractor Assured, you need to do something now because December 13th will soon be with us and if you have not obtained a vet's Attestation Declaration your stock may be harder to sell.

**The details supplied to us on the signed entry form MUST be accurate, DNA tests are regularly carried out and the vendor will be liable for any discrepancies.**
