Trade was strong from the start with a massive 93 passing the £2000 mark.

Topping the day at £2650 was one of the very many stylish milking heifers in the sale. By Matcrest Dewey, she was giving 33kg and was clinched by E T Hanson of Bradford who were one of the bulk buyers at the sale.

Hot in pursuit at £2520 was another milking heifer, freshly calved with many others in the £2300-£2500 bracket.

In-calf heifers were a particularly strong trade topping at £2450 to Messrs Brassington of Endon with numerous others in excess of £2000.

The youngstock also sold exceptionally well with bulling heifers to £1150. Every life averaging a superb £1565!
