

Market Report

Bakewell Market

MONDAY 13th MARCH

Snow over the weekend followed by a deluge today meant many would be kept away from market. 610 cattle and 1,734 sheep did arrive with the cattle looking well sold today and the sheep selling on an improved trade.

The finished cattle had 110 head with trade out of this world again with the 60 heifers levelling at 286.4p, although there was a shortage of bulls on offer.

Only 63 Barrens today with a record average of 201.86p or £1332.

390 store & breeding cattle with 20 breeding cattle this week maintained the recent high prices with plenty of the biggest 'short keep' cattle over £1500.

The 1090 hogs averaged an improved 256.6p with a top price of 324p as well as several others over 300p.

Finally, a bumper crop of 644 ewes and rams topped £216 for a ewe with the overall average at £96.

Property of the Week

The Rudyard Memorial Institute, Leek, ST13 8RN

The site on which the Memorial Institute is located is in a most attractive position in the highly sought after village of Rudyard. The village is a popular tourist attraction being close to Rudyard Lake. The Institute itself is in poor condition, but the site on which it is located extends to just under half an acre and adjoins residential properties, as such it is felt the site has considerable potential for residential development, subject to the necessary planning consents.
