Bakewell Market

TUESDAY 29th AUGUST

Smaller entries as expected for the Tuesday Market following the Bank Holiday weekend.  
Only 133 cattle, but a decent turnout of 851 sheep.  
Many of the regular buyers present or represented and prices generally much as last week.

Only a handful of store cattle with no particular highlights, but those cattle that were forward were all sold at acceptable prices.

35 finished cattle forward with some very mixed quality in the entry.  
Top figures 285p and £2,069 per head.

In the OTM department there were 28 forward with top figures 199p/kg. The average looked good at 162.0p.

A surprising entry of 45 calves attracted plenty of interest and saw bulls to £405 and heifers £380.

In the sheep section there was a useful entry of 738 lambs. These sold on a brisk trade with the best on offer to 307p and £140.14.  
The SQQ average emerged at a respectable 258.9 pence.

Only a small offering of 120 cull sheep with ewes to £152 and the average for a mixed sample at £85.30

## **New TB Rules starting 1<sup>st</sup> August**

Please do not worry yourselves about the changes. Most people will not have to do anything different except to supply us with a little extra information.

The new rules will be in place next Monday and we need everyone selling cattle & calves to tell us their **Parish TB Testing Interval** by ticking the box on the entry form. Just to confuse things, this might be different from the actual TB testing interval on your particular holding.

It is easy to check this on-line using the TB Hub – Parish testing interval checker.

In simpler terms:

All Staffordshire is 6 months

All Cheshire is 6 months

All Nottinghamshire is 12 months

All Leicestershire is 12 months

Where there is most confusion is in Derbyshire which is split between 6 months and 12 months.

The Ministry have not been able to provide us with a map showing the border.

When you enter your store cattle in future, please supply your county and parish holding number and we can check for you and provide the information to buyers on the Early Warning List.

Whilst the new rules look complicated, they will only affect a few buyers from the 12-month edge areas. For everyone else there will be no change other than the need for us to display the information at the time of sale.

If you have any questions about all this just ring us at Bakewell and we will explain the changes and check your parish interval for you.
