“Evening Sale sees Great Crowd and Excellent Prices for Small Tractors and Mowers ”

Wednesday 2nd August 2023 – Overdale, Alstonefield, Derbyshire

The evening dispersal sale on behalf of the Leason family of Overdale at Alstonefield saw just short of 340 lots for genuine dispersal as Bagshaws had already sold the property.

Top call on the night was £7,000 for the very late 1960's Massey Ferguson 135 Tractor sold with a Duncan Cab and nearly new rear tyres. This was purchased by a farmer/smallholder from Stoke on Trent.

Other major items included a Kubota GR16 Mid Mount Ride On Diesel Lawn Mower at £3,850 and a Kubota B1610 4WD Compact Tractor showing only 575 hours at £5,100.

There was a large array of Nurserymans Kit together with Sundries and Effects along with many quality workshop items and Wood Crafters Kit with the Non-Vat status of the Vendor attracting several extra purchasers.
