GENERAL NOTES

Situation

Stramshall Farm lies only 1½ miles from the main A50 Stoke to Derby link and has excellent national road network access.

From Derby and the M1 pick up the A50 towards Stoke on Trent and travel out past Foston and Doveridge to the first Uttoxeter junction at Red Hill. Travel straight over towards Stoke and at the second Onto The B5030 Uttoxeter roundabout (adjoining McDonalds) turn right for Rocester and Alton Towers. Travel approximately 600 yards and take the first left signed Spath and Stramshall and travel into Stramshall village. After travelling over the traffic calmers, the entrance to Stramshall Farm lies on the left (by the grass triangle – adjoining the village hall).

From Ashbourne and Mayfield pick up the B5030 towards Rocester and after travelling past the JCB lakes on the right, continue towards Uttoxeter. At the final roundabout before Uttoxeter continue towards the A50 and after 200 yards turn right signed for Spath and Stramshall. Travel into Stramshall village and over the traffic calming devices with Stramshall Farm lying on the left halfway up the village adjacent to the village hall.

Sale goes beware there is strictly no parking in the village and everyone must respect all village residents and park in the field provided for this sale.

FOREWORD

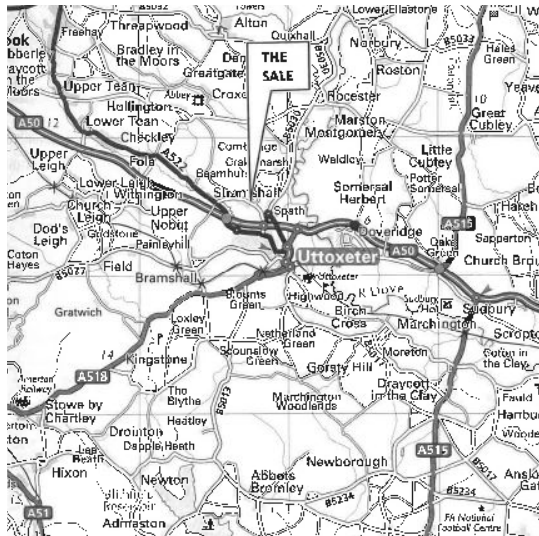

This exciting dispersal of the collection on behalf of Mr David Bailey sees a vast array of Bamford and Henry Bamford and Sons items for genuine dispersal which have been collected over the last three to four decades.

Mr Bailey has been a Stramshall resident all his life and has collected some special items over a period of towards forty years.

The sale includes various Bamford Mowers and fairly unique Bamford Barn Machinery together with stationary engines and Henry Bamford and Sons Prize Cast Sludge Pump which is actually plated Leighton Iron Works, Uttoxeter.

In addition, there is a range of livestock equipment, gates and troughs together with some more modern machinery including the McConnell Saw Bench and the International Digger Loader and two Tractors.

Also included are a small range of sundry vendor items from the local village and purchasers should attend and bid with confidence at this exciting September sale.

Health & Safety at Work Act 1974

It is expressly brought to the bidders attention that at the time of sale, items of plant, machinery and equipment may not necessarily comply with the requirements of the Health & Safety at Work Act 1974, and its' associated regulations, governing the use of plant, machinery, and equipment at work.

Whilst Bagshaws take all reasonable steps to ensure the integrity of sale items, or make bidders aware of any known defects, anyone purchasing an item must ensure it is safe, and complies with all relevant regulatory requirements, before it is used in a work environment.
