

MARKET REPORT**Store Sheep Sale Report
Friday 10th November**

Another excellent trade for a catalogued entry of over 3,700 store sheep with purchasers gathering from near and far.

Store lambs topped at £110 with an overall average of £86.34, being some £16 up on the same sale last year and a number of potential purchasers going home either empty handed or short of requirements.

The next sale is to be held on Friday 24th November.
