**94 BARREN, OTM AND FEEDING COWS overall ave 181.4p/kg or £1197****(Auctioneer Oliver Hiles)**

A few more about and trade very much 'stand on' from last week with the average very similar on the week. A good line up of buyers today with all the better cattle north of £2/kilo with the best and younger sorts 220p plus. Best price today was a young Charolais (33 mnths) at 241p or £1421 with a young cow from Andrew & Helen Carr at 238p (£1461). Cows remain good to sell and I don't see them dropping as they have done in other years at this time. The advice I would give is if you have them to sell, then do so. For any advice or a free, no obligation farm visit, give me a call on 07801 530899.
