# FOREWORD

This genuine and exciting sale at Marston Montgomery sees Mr Glover selling both his collection and range of contractor's kit after being at Hollies Farm since 1957.

Many locals will have known of John and Barbara Glover as contractors for drainage works, arable and grassland tasks and hedgecutting for many decades.

In the 80's and 90's the Glovers ran a full range of Deutz tractors which were widely used including a pair of 4WD models on hedgecutting duties.

In more recent times John Deere mainline tractors have been the order of the day and there are two well-kept models within the catalogue.

Unfortunately, John's wife Barbara passed away in recent years however, prior to her passing the Glover's collected Field Marshalls and Marshall tractors of which there are 7 within the text of the catalogue. These tractors will all be sold free of vat and several are in superb condition.

John and the Late Barbara were great supporters of local tractor dealerships including Robert Hardy at Parnhams, the local Deutz dealership.

There are several items in the sale which have undertaken virtually no work including the Kubota Tractor and Tyrone 12 Ton beavertail low loader, mounted fertiliser spreader and other items.

With a large range of general effects and workshop items together with extremely well-kept kit including excavators, Saturday 26<sup>th</sup> July is a day not to be missed. Many collectable tractors will be sold free of vat with the main machines from the original business including the excavators and John Deere tractors subject to vat at the usual rate.

## Health & Safety at Work Act 1974

It is expressly brought to the bidders attention that at the time of sale, items of plant, machinery and equipment may not necessarily comply with the requirements of the Health & Safety at Work Act 1974, and its' associated regulations, governing the use of plant, machinery, and equipment at work.

Whilst Bagshaws take all reasonable steps to ensure the integrity of sale items, or make bidders aware of any known defects, anyone purchasing an item must ensure it is safe, and complies with all relevant regulatory requirements, before it is used in a work environment.

# GENERAL NOTES

## Situation

Hollies Farm lies only 3 miles north of the A50 Stoke/Derby link and has excellent national road network access.

## From the A50 at Sudbury pick up the A515 North towards Ashbourne and Cubley.

Continue passed the RTV depot and after 1 mile reach the Cubley crossroads adjoining the Old Public House. Travel straight on north on the A515 up the hill and after ½ mile take the first lane left into Hollies Lane. Continue down the lane and pass the brick cottage on the left with Hollies Farm at the top of the lane on the left.

Hollies Farm has access from Rocester and the B5030 adjoining the JCB Factory.

**Please note** there is a Golf Event scheduled for Rocester on the weekend of the sale and prospective purchasers are advised to use the A515 access for this sale.

Adequate sign boards will be placed on sale day. There is good access from Ashbourne and Buxton to the north via the A515 at Darley Moor.

'To the Sale' and 'Car Park' signs will be erected on the morning of the sale.

Please refer to the location map within the catalogue.
