# FOREWORD

This very genuine dispersal sale arises as a result of the dissolving of the old farming partnership and locals will know that the Late Stephen Brunt passed away just over 3 years ago.

The family have been renowned in the area for farming to a high standard for many decades and the machinery and kit for genuine dispersal is a credit to all concerned and has been carefully used and well maintained.

Undoubtedly the stars of the show are the tractors, telehandler and trailers with John Deere, JCB, Kubota, New Holland, Bailey and Houghton Parkhouse all included in the line up.

An excellent genuine dispersal of well maintained items and attendance is thoroughly recommended.
