“Classic Massey’s ring the bell at Derbyshire Dispersal”

The Bagshaws team out in force for the dispersal on behalf of Mr Lawrence Gratton who is retiring from Broom Hall Farm who has been on the holding since 1967.

Mr Gratton had been extremely careful with his machinery which was all in excellent condition and the prices achieved and the support given were definitely a reflection of the well-kept kit. Undoubtedly the stars of the day were the tractors and telehandler with a classic Massey 398 achieving a massive hammer price of £22,000.
