

BAKEWELL MARKET REPORT

Monday 21st July

Rather more stock about than we expected for the time of year with 546 cattle and 1,336 sheep on offer.

Trade buoyant in all sections and a general sigh of relief that we have had some rain.

The store and breeding cattle section attracted 240 head and there was a particularly strong line up of buyers resulting in a very fast trade.

Steers sold to £2,800 to average £1,458 with heifers to £2,520 to average £1,307. Feeding bulls sold to £1,920.

The finished cattle section was particularly well supported with 154 in total and all those cattle were wanted as the results clearly demonstrate.

Top prices 447p/kg and £3,287 per head. To give a flavour of trade the 80 heifers averaged 382.5p and a healthy £2,270 per head.

There were 94 cull and OTM cattle, a good number for July. Top figures 398p/kg and £3,052 per head.

The average looked good at 271.7p and a remarkable £1,775 per head.

A decent selection of 60 calves saw bulls to £790 and £550 for the best heifers.

In the sheep shed there were 929 lambs with trade strong and the best on offer to 370p/kg and £214.10 per head.

The SQQ average was 342.7p making a typical lamb in the 39-45kg bracket worth £146.22.

There were 389 cull sheep for which there was an outstanding demand – ewes sold to £235 to average £141.33.

(Auctioneer Mark Elliott)

What a good entry and something for everyone with grazing purchasers operating very actively and the best a strong trade.

Top call was a smart run of Texels from David Furness and family at £235 with others at £232. Jackie Trueman close behind at £230. The best 8 pens averaged just a few pence short of £218.50.

Better Mules £168 and above and some horned ewes well over £125 per head.

Generally, some spirit in the job and as detailed the plainer and grazing section is being well supported.

Just a few tups with the long and best fleshed very good to sell. Top price £218 for the Newtons at Mansfield.

Ewes ave £141.33
