FOREWORD

This genuine dispersal arises as a result of the retirement of Mr Ken Raworth who has worked in the ground care and landscaping business around Barton, Yoxall and Burton on Trent for in excess of 40 years.

The equipment within the sale has been carefully cared for and various items have seen little work. Purchasers should note that the main items within the business are subject to vat however there are a large array of sundries together with personal tools which will be sold on sale day free of vat.

Undoubtedly the stars of the show are the Hitachi Digger and Ifor Williams Trailers and perusal of the catalogue will reveal that the **Zaxis 26U 360 Degree Excavator** has undertaken less than 1,000 hours and is in very good condition.

With a smart range of kit including small sundries and timber etc this is an attractive afternoon sale with appeal to a varied clientele.

PURCHASERS NOTE-SATURDAY LOADING

All items should be removed from the site as soon as possible.

Due to the use of the yard at Bangley House Farm there will be no loading from 12.30 on Saturday 18th October onwards and all lots should have been removed on sale day or early on the Saturday morning prior to 12 noon.
