

BAKEWELL MARKET REPORT

Monday 15th September

Another strong entry of stock in all departments with a total of 841 cattle and 1,384 sheep from 240 different vendors.

Finished cattle numbers respectable at 134 head and Oliver reported a similarly strong trade as recent weeks with both heifers and bulls topping at 430p/kg and steers close behind at 429p/kg.

OTM numbers again decent to total 117 and a strong level of demand for all types to a top of 334p/kg.

Store cattle continue with excellent numbers with a total of 499 and trade reported as equally as strong and possibly even dearer than last week with steers to £2,520 and heifers to £2,420.

Yes, the average is a bit less this week, but I believe that cows are very similar on the week but a higher percentage of plain and very plain black & whites about that had their effect on the average. Best meat is possibly a bit better sold with a well done black Limousin cow (4 yrs) from Simon Frost at 334p or £2718 with the best fed cows good to sell from 280-300p/kg.
