

Bakewell Market

Theaves & Ewes

Friday 5th September

An increased entry on last year with a total of 3,218 sheep forward, selling to a large gathering of both local and distant buyers.

Trade back a little on last year with a number of sheep showing the effects of the lack of keep, but all keenly bid for and a near total clearance achieved. Shearlings returned an overall average of £201/head to a top of £275 and older ewes to £195.
