FOREWORD

It is with sadness that we announce the dispersal sale of the Charleston Herd, a long-established Limousin Herd, indeed probably one of the oldest in the country.

The sale features some highly sought after, traditional bloodlines with generations of cows having been retained within the herd including grandmothers, mothers and daughters.

The herd has a traditional track record, winning prizes within the North West Midlands and North Wales Limousin Clubs.

For the past 20 years the herd has been managed with consistency and dedication, producing quality cattle that has attracted repeat customers year after year.

The cows have been calved independently, demonstrating their ease of calving and their exceptional maternal strengths, traits that they will bring to any breeding programme.

This is an excellent opportunity to purchase from a longstanding pedigree Limousin herd, with an abundance of choice, attendance is a must on Thursday 18th December 2025.

Health & Safety

- Please take extreme care when in the cattle penning areas.
- Loading and Unloading – please use the side gates and chains and ensure dock gates are kept closed.
- No public in cattle areas once selling has commenced.
- Please use hand washing facilities after handling livestock

NB All Scanning's were undertaken on 26th November 2025
