FOREWORD

The machinery and produce sale at Fields Farm is the third sale event undertaken by Bagshaws on the instructions of Mr Charles Buckston as he is retiring from active farming and the superb pedigree Charlestone Herd of Limousins together with the Wellbred Sheep Flock have already been sold.

This now brings forward a superb range of machinery together with trailers, grassland equipment and livestock sundries for a large auction which also includes a large array of produce including both maize and grass silage.

Undoubtedly one of the stars of the show is the **JCB Telehandler** which had undertaken around 1600 work hours on inventory day and was purchased new onto the holding in 2023.

The smallest of the **Massey Ferguson Tractors** has undertaken under 1500 hours and with a wide range of kit including a little used **Amazone 24 Metre Sprayer** and **KRM Bogballe Mounted Fertiliser Spreader** attendance at this sale is recommended.

Perusal of the full catalogue document will see a wide range of livestock requisites together with gates and general sundries and there is a mobile galvanised cattle handling race system together with Rappa Mobile Sheep System in this large and interesting early season sale.

Additionally, there are several tractors and further equipment from vendors in local villages with a special entry of four silage trailers from a local farm.

GENERAL NOTES

Situation

Fields Farm has excellent national road network access via the A50 and M1 and lies only 2 ½ miles north of the A50/A516 junction (junction 5).

From Uttoxeter/Stoke take the A50 towards Derby and on reaching the A515 and Sudbury continue straight on towards Derby and Etwall. After approximately 5 miles reach the A516 junction 5 sign posted for Etwall and leave the dual carriageway down to the first roundabout. Take the second exit signed A516 and Etwall and continue for ¾ mile on the Etwall bypass taking the first lane on the left into Ash Lane signed for Sutton on the Hill. Continue up the lane for approximately 1 ¼ miles with Fields Farm adjoining the lane on the right.

From the M1 at junction 24A at Kegworth adjoining East Midlands Airport pick up the A50 signed for Stoke on Trent. Continue for approximately 14 miles passing the A38/Toyota roundabout above and at junction 5 leave the A50 signed for Etwall and Hilton. Pick up the A516 back towards Derby by travelling under the A50 dual carriageway and follow the detailed instructions above.

'To the Sale' and 'Car Park' signs will be erected on the morning of the sale.

Please refer to the location map within the catalogue.

Car Park – As sign posted on the sale day.

GENERAL NOTES

Loading

It is the responsibility of the purchaser to arrange for the safe loading & transport of all and any purchases. Bagshaws are under no obligation to provide assistance in loading but on occasion they will do their best to help provided that it is not putting themselves, the purchaser or other people at risk of injury. For large, heavy and unwieldy items, specialist loading and transportation will be required for example bulk bins and tanks. The decision made by Bagshaws will be final.
