FOREWORD

The genuine dispersal sale at Pessall Holdings arises as a result of the retirement of Mr Preece who has been at Edingale for 26 years.

Many locals will know that the farm has been in dairying with both Shorthorn and Holstein Friesian cattle on the farm.

In the last 8-10 years a small flock of sheep has also been run on the unit with the majority of all forage produced and made in house utilising grassland machinery together with the Pottinger Forage Wagon Unit.

There is a wide array of items including several non-VAT and collectable pieces at this early season sale.

GENERAL NOTES

Situation

No 4 Holding lies up Pessall Lane with access opposite the school from Edingale Village along the council highway.

From the A38 at Alrewas pick up the A513 signed for Tamworth and the National Memorial Arboretum. Travel to the first roundabout (**beware road does narrow due to weight restrictions**) and continue over the river Trent and under the railway. Approximately 40 yards past the railway bridge turn left sign posted for Edingale and continue 300 yards over the brook bridge and take the first right onto Croxall Road. Travel approximately 2 miles into Edingale Village and take the first lane on the left into Pessall Lane. Continue up the lane for approximately ½ mile turning right signed for the old dairy with No 3 Holding lying on the left.

Purchasers note there is a 13ft 9” bridge adjoining the river Trent and the trent bridge has a 7 ½ ton weight limit with traffic calming/narrowing devices before the bridge.

Pessall Lane-special note-the land adjoining Pessall Lane is un-fenced for over ½ mile-sale attendees should approach with caution and respect the roadsides and current crop.

‘To the Sale’ and ‘Car Park’ signs will be erected on the morning of the sale.

Please refer to the location map within the catalogue.
