

## MACHINERY & DISPERSAL SALES

Saturday 16<sup>th</sup> May 2026

*“Smart New Holland and well kept Terex Handler brings bidders from England, Scotland and Ireland”-Mark Elliott*

The dispersal sale on behalf of Mr & Mrs Philip Millward at Edge Hill Farm was as a result of ill health in the family and the excellent array of kit attracted purchasers from a very wide area.

The main implements and tractors were a credit to the vendors and had been carefully maintained with some items having been little used.
