FOREWORD

A very genuine non-vat dispersal at Anslow arises as a result of the family retiring from active farming having been in Anslow village for around 40 years.

The small holding originally reared calves and pigs with livestock on the unit up until a few years ago.

There are various items for the Massey Ferguson enthusiast, including the 3 tractors and a check in the catalogue will reveal that the Massey Ferguson DM205 Mounted Disc Mower is in superb order having undertaken very little work.

With a wide range of kit including troughs and livestock sundries together with collectables and anvils etc there is definitely something for everyone.

The sale includes a special entry from a local vendor with the International 485 2WD tractor with Trima Loader together with other kit in good order and all sold without vat.

Attendance at this mid-season sale is thoroughly recommended.

GENERAL NOTES

Situation

The Walnuts lies in the centre of Anslow with access to the car park field directly off the village high street.

From the New Inns at Five Lane Ends pick up the B5017 towards Burton on Trent and travel approximately $\frac{3}{4}$ mile. Take the first left into Bell House Lane and travel down towards Anslow to the main t-junction. Turn right towards Anslow Village passing Holy Trinity Church on the right and travel round the bends into the village. The Walnuts lies on the left approximately 5th property on the left in the village.

Purchasers note access to the car park field is narrow with good parking facilities up the field, please follow the instructions of the car park marshals on sale day.

'To the Sale' and 'Car Park' signs will be erected on the morning of the sale.

Please refer to the location map within the catalogue.

Car Park - As sign posted on the sale day.
