FOREWORD

This genuine dispersal sale at Brassington arises as a result of the passing of the Late Mr John Allsop.

Mr Allsop had undertaken various groundwork and other activities in the area and there is a wide range of kit for sale.

The Bobcat Mini Digger, Toyota Pickup and Graham Edwards trailer were all purchased new and several of these items have undertaken very little work.

There is a wide range of spares and general effects together with various antiquities and collectables. For the collector there is a unique Massey Ferguson 188 Multi Power which comes with Garrett Turbo Multi Power and PAVT Wheels. The sale also includes a wide range of old tools, antiquities and family items, the majority of which will be sold free of vat.

In addition to the items from Mr Allsop there are various sundry vendor items and attendance at this August sale is thoroughly recommended.
