FOREWORD

This excellent September sale arises as a result of the retirement of Mr John Gadsby with the family having been on the farm since 1937.

The unit gave up milk production approximately 4 years ago and has recently been producing quality suckler calves and store cattle.

The Gadsby family have been excellent supporters of local machinery dealerships and perusal of the catalogue will reveal that there are some superb machines together with tractors available for genuine auction sale at this Friday event. All the machines have been extremely well maintained and serviced and very carefully driven and there are a number of items in the larger machinery which have never had a night outside and some have had only single drivers throughout their working period.

Undoubtedly some of the stars of the show are the McHale Equipment with the superb McHale Fusion 3 Combi Baler having only had John as its driver and with a very low bale count it has never seen a pressure washer and has only ever been compressor blown after the end of each season.

Several of the New Holland tractors were purchased with very low hours and on checking photographs etc it will be seen that there is a high attention to detail on this farm and purchasers should attend and bid with confidence at this very genuine dispersal.

In addition to the farm items there are a range of non-vat sundries and requisites together with a few included items from local vendors.

GENERAL NOTES

Situation

Flatts Farm has excellent national road network access with the A6 major trunk road lying only ¼ mile from the farm entrance. The M1 at junction 29 adjoins Chesterfield and access from the north via Buxton and Bakewell is easily undertaken by the A6.

From Bakewell pick up the A6 towards Matlock and Rowsley and travel through Rowsley towards Darley Dale. On Dale Road north in Darley Dale turn right onto the B5057 signed for Wensley and Winster (adjoining Barringtons). Continue down the road and cross the old railway crossing with Flatts Farm lying on the left adjoining the Square and Compass Public House.

From the south and Matlock pick up the A6 north towards Bakewell and Buxton and travel north for approximately 3 miles. On Dale Road north at Darley Dale turn left adjoining the Co-op onto the B5057 signed for Darley Bridge, Wensley and Winster. Continue down the road passing over the Peak Railway Crossing with the entrance to Flatts Farm adjoining the Square and Compass Public House on the left.

From Winster and Wensley travel down the B5057 towards Darley Bridge and Darley Dale and after travelling over the river bridge the farm lies immediately on the right. **POTENTIAL PURCHASERS BEWARE-the access from Wensley and Winster is very narrow and is unsuitable for heavy lorries.**

Export Purchasers – All goods must be paid for in pounds sterling (£).

VAT on Export Goods – Under regulations imposed by HM Customs & Excise, the auctioneers must account in a proper manner for VAT on export goods. All customers must pay all VAT on the purchase price of goods on sale day. On receipt of all relevant export documentation and bills of lading (which must be received in the prescribed time limits), the auctioneers will then refund relevant VAT sums.

Buyers Premium – No buyers premium will be payable at this sale.

Telehandler Loading Facilities – Available on sale day only from 10:30am onwards.

GENERAL NOTES

Machine Hours – Machine hours have been taken as at 5th August 2026. These are given for information purposes only and are not guaranteed by the Auctioneers.

Loading

It is the responsibility of the purchaser to arrange for the safe loading & transport of all and any purchases.

Bagshaws are under no obligation to provide assistance in loading but on occasion they will do their best to help provided that it is not putting themselves, the purchaser or other people at risk of injury.

For large, heavy and unwieldy items, specialist loading and transportation will be required for example bulk bins and tanks.

The decision made by Bagshaws will be final.
