# FOREWORD

This interesting small sale at Dale Abbey arises as a result of the retirement of Mr & Mrs Smith who have been at Upper Hagg Farm since 1967.

Originally the holding was a dairy farm and more recently store cattle have been reared together with a small equine enterprise and hay produced.

This is an all grass holding which is now to be sold and as a consequence all the items from the farm are for genuine dispersal.

Perusal of the catalogue will reveal a large array of included items from local vendors to include MF and Ferguson Tractors, RTV, Grain Trailers etc, a large proportion of which will be sold free of VAT. Purchasers should attend and bid with confidence at this very varied sale.
