FOREWORD

This genuine dispersal on behalf of Heather Hall arises as a result of the property being sold.

The livestock from the holding have already been sold and this leaves an excellent small range of genuine kit for dispersal.

Various of the principal items in the sale have been owned from new including the JCB Telehandler, John Deere Gator, Quad Bike and McHale Straw Blower.

The JCB has undertaken under 2,000 hours from new with the John Deere Gator and Ride on Mower having seen very low usage and in very good order.

The trailed Milk Cart was owned new and all the calf related kit was purchased new in March 2025.

In addition there are a wide range of non-vat items and purchasers should attend and bid with confidence at this genuine Autumn dispersal.
