MACHINERY & DISPERSAL SALES

John Etches had recently run Zetor tractors as his main prime movers and with interest from the north of England together with Wiltshire, some sold locally with the other journeying around 160 miles south:

- | | |
|--|--------|
| • Zetor 9641 Forterra Turbo 4WD (51 Plate) | £8800 |
| • Zetor Proxima CL80WD c/w Power Loader (67 Plate) | £18200 |
| • 2019 Kubota RTV 1110 4WD | £10100 |

The Land Rover 90 Hard Top from the farm was a 79000 miles, 2012 plate, achieving £15900

As detailed before there was a large range of included items including:

- | | |
|--|--------|
| • Land Rover Defender Hard Top, 61 Plate (Silver) | £17000 |
| • Kubota L3540 (non-VAT) | £12400 |
| • Kubota M9540 01 Plate | £12000 |
| • Ford 3600 2WD (a well restored 1981 model) | £5120 |
| • Nugent Tri-Axle 14ft Transport Trailer c/w sides and ramps | £4180 |

A feature of the sale was definitely the hay which had all been produced in June 2026 and with 9 lots on offer the 4ft 6" barn stored bales achieved up to £40 each, with purchasers having to load all their own and do their own haulage on a tight time schedule.

And not forgetting the large stone trough which achieved a superb price of £2050.

All in all, an excellent day with 5 further sales booked before the end of the season
