

BAKEWELL MARKET REPORT

Monday 19th October

A really good market day with 686 cattle and 1,700 sheep and a very satisfactory trade in all departments.

There were 385 store & breeding cattle on offer, an entry that included a notable consignment of 13 in calf heifers from Messrs G & M Limer of Taddington. It is some indication of the confidence that farmers have in the future that these top quality animals sold at prices between £3,300 and £4,050 to average £3,823.

In the regular store section steers sold to £2,390 to average £1,787 with heifers to £2,200 ave £1,537. Feeding bulls reached £2,000 to average £1,747 and a 44 month old Pedigree Limousin Stock Bull made £3,000.

Next Monday 26th October we have a special entry of Limousin bulling heifers and a stock bull from Clark Farms at Ringinglow.

Finished cattle were out in force with a total of 151 on offer. Trade has taken another lift with demand very strong from start to finish.

Top figures 480p/kg and £3,481 per head.

The average for the 66 heifers was a tremendous 392.1 pence and £2,405 per head.

102 OTM cattle this week with top figures 325p/kg and £3,207 per head.

The average was a solid 239.5p and £1,663 per head.

Calf numbers steady at 48, but trade very strong, Bulls to £895 and heifers to £630.

A good show of sheep totalling 1,700 in all.

1,160 lambs with top figures 385p and £207.70 per head.

The SQQ average was a solid 325.5p little different from last week.

This made a typical lamb in the 39-45kg bracket worth £142.19.

There were 537 cull ewes on offer, a selection which included a good many hill breeds and plainer sorts.
