BAKEWELL MARKET REPORT
Monday 16th November

Winter definitely with us after several sharp frosts. A decent entry of stock with 216 vendors consigning 698 cattle and 1,543 sheep.
Trade mixed with finished cattle better, cull cows worse and store & breeding cattle still looking well sold.
Lamb trade was strong and cull ewes dearer.
The were 448 store & breeding cattle with quality very mixed and a very wide range of prices.
The sale included the annuall consignment of 21 in calf heifers from JW & RG Ede, Youlgreave. Buyers turned out in force from far and wide with some cattle heading for South Wales.
10 of the animals hit the £3,000 mark with the best to £3,600.
In the regular stores steers reached £2,440, heifers £2,200 and feeding bulls £1,700.
There were 96 finished cattle on offer with trade sharper than last week,
Top figures 430p/kg and £3,009 per head.
The average for the 43 heifers was a solid 358.4 p/kg and £2,271 per head.
The OTM department had gathered 119 head, but trade was hardwork with values undermined by imports of cheap meat reducing demand for UK cattle.
Top figures 295p/kg and £2,490.
The average was 215.5 pence and £1,448 per head, the lowest we have reported for a long time.
Not a good day to bring calves to market with such a frosty start so only 35 on offer.
Young cattle continue to sell very well with bulls to £830 and heifers £660.
More activity in the sheep shed with plenty of demand for the 1,127 lambs.
Top figures 430p/kg and £204.61 per head.
The SQQ average was a whisker under 348p making a typical lamb in the 39-45kg weight range worth £154.76.
A total of 404 cull sheep with ewes to £272 and the average better at £143.73.
