STORE & BREEDING CATTLE – (Auctioneers Alastair Sneddon & Meg Elliott)

Another full house with 536 cattle on offer.

Quite a number of large consignments in the entry allowing well matched bunches to be sold. The largest lot of 11 Friesians attracted strong bidding and clearly buyers pushed the boat out to acquire so many at one hit.

There was evidence of cattle coming straight off grass and starting to show the effect off the season, Despite the lack of rain or frost some lots were definitely ready for housing and a richer diet.

The sale started with some **42 breeding cattle**, chiefly in calf heifers. Notable prices as below.
